The Future of IDS Project

Expansion Libraries

1. American University
2. Bowdoin College
3. Claremont Colleges
4. Humbolt College
5. Middlebury College
6. University of Richmond
7. University of Texas at Austin
8. University of Texas at San Antonio
9. Wellesley College

Results So Far…

- Remote mentor program was successful and Goto Assist/Webinar worked well
- Pilot members are pleased with the amount of time Logic has saved
- There is a positive feeling toward the IDS Project Community
- Still working on bringing a few libraries up due to lack of z39.50 or cataloging issues

What's Next with the Expansion

1. Extending pilot until January 1, 2016

2. Looking to add 10 more libraries

3. Consortial partnerships will be a focus
